Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner and the Applicant's Representative discussed the patentability of claim 13 under 35 U.S.C. 101. The Examiner indicated that the claim appeared to be directed to nonfunctional descriptive material. The Applicant's Representative indicated that any amendment(s) would need to be approved by the Applicants. On 23 March 2011, the Applicant's Representative proposed Applicant approved claim amendments in order to clarify the claims and recite statutory subject matter under 35 U.S.C. 101. The Applicant's Representative indicated that the amendments could be entered via an Examiner's Amendment.
